

EXPECTATIONS FOR VALEDICTORIAN AND SALUTATORIAN
(CLASS OF 2020 AND BEYOND)

To be considered for Valedictorian or Salutatorian, it will be expected that students will have completed the most rigorous course of study which should include:

English 9	World History
English 10	U.S. History
English 11 Honors	U.S. Government
English 12 Honors	Spanish I
Algebra I	Spanish II
Geometry Honors	Spanish III
Algebra II Honors	Biology
Pre-Calculus	Chemistry I
AP Calculus	Chemistry II
Anatomy & Physiology	Physics

To be named Valedictorian or Salutatorian the student will have earned the highest grades in the above listed 'core' classes. Classes taken outside of these 'core' requirements will not affect Val/Sal determination. However, it is expected that a Valedictorian or Salutatorian will earn superior grades in all classes.

The designation of Valedictorian and Salutatorian is intended to honor those students who have earned the BEST grades in the MOST CHALLENGING course of study.

If you have questions in regard to these expectations, please contact Mr. Doyle, Mr. Ash, or Mrs. Sward.
