Barr Reeve Community Schools

BREAKFAST

School Information: Student Tray: \$1.25
Adult Tray: \$1.75

This institution is an equal opportunity provider.

Sun Safety: We all need exposure to the sun, about 15 minutes, to help our bodies make Vit D which in turn helps our bodies absorb calcium to help strengthen our bones. Too much sun can cause damage though. So avoid the strongest rays of the day during 10am-4pm, wear at least a 30spf sunscreen, and wear sunglasses. Enjoy summer safely.
